**MESSAGE SENT TO PRESIDENTS
 & KINGS IN MUSLIM WORLD**

Re: GREAT NEWS AND AN URGENT ALERT FOR THE MUSLIMS.

I am enclosing enough physical, irrefutable evidence to prove that God has sent a messenger to:

1. save the Muslims,
2. remove all innovations, traditions, and superstitions, and
3. restore Islam to its original pristine purity.

God wishes to save the Muslim Ummah from humiliation and defeat, and to provide the true Muslims with great dignity, prosperity and prominence among the nations of the world.

Please review the enclosed summary of evidence, then contact me for the following purposes:

- (1) to witness God's great miracle to our generation; a miracle that is far greater than the miracles of Moses, Jesus, and all the previous messengers combined (see Qur'an 34:45 & 74:35), and
- (2) to work out the details of restoring the Muslims' prosperity, happiness, and victory.

The salvation of your whole country, and your own personal salvation, depend on your positive response to this most important message.

Sincerely,

Rashad Khalifa, Ph.D.
 Messenger of God.

رشاد خليفة (رخ)
 رسول خدا (رخ)

P.S.: Please do not be deceived by Satan's claim that Muhammad was the last messenger; he was the last "Nabi" because he brought the last scripture (see Qur'an 33:40 and 40:34).

RETRIBUTION IMMINENT FOR DISBELIEVERS

The Qur'an alerts us that God sends His messengers "just ahead of retribution for the disbelievers" (17:15, 34:46). All God's messengers witnessed the retribution for those who rejected them (7:59-93).

The fact that God has sent a messenger to this generation, therefore, marks the imminence of retribution for the disbelievers.

God's message and the Miracle supporting it have been intensifying during the last 19

years. In response, the Muhammadans intensify their idolization of Muhammad. All of a sudden international conferences in Mecca, Cairo, Islamabad, and Anaheim were held in honor of the Prophet's "Sira." and Satan's very own "Hadith and Sunna" were re-issued in lavish luxurious books. God thus exposed the Muhammadans' true identity, and confirmed their idolatry. Now, they have no excuse. The retribution will be just and devastating: it is indeed imminent.

DISBELIEVERS IN MY MESSENGERSHIP COMMIT GROSS BLASPHEMY AGAINST GOD

Anyone who reads the Qur'an objectively knows that "only the sincere believers and seekers are given access to the Qur'an." The Qur'an teaches that it is an uncommon book, whose delivery into our hearts is strictly controlled by God; the insincere readers, and those unworthy of God's message, are forbidden any access to the Qur'an (6:25, 17:45-46, 18:57, & 56:79).

This amazing phenomenon is especially manifested when outstanding scholars of the Arabic language fail to attain anything from the Qur'an. A perfect example is the Qur'an's mathematical miracle; despite its simplicity and overwhelming vastness, many "scholars" fail to see any part of it. It is a common assertion by Muhammadans and their leading scholars that "the Qur'an is difficult to understand!!!" This immediately demonstrates their divinely induced ignorance of the Qur'an. For God has emphasized repeatedly: "I made the Qur'an easy to understand" (54:17, 2, 32, & 40). Verse 41:44 even negates the language barrier; God puts the Qur'an in the hearts of sincere believers, regardless of their language. We learn from 41:44 that the criterion for gaining access to the Qur'an is sincerity of belief.

The mathematical Miracle of the Qur'an remained a divinely guarded secret for 1400 years (10:20 & 25:4-6). Muslim scholars who scrutinized every single letter of the Qur'an during the last 14 centuries failed to unveil

this simple and glaring Miracle. Obviously, such unveiling was reserved by God for a specific person, whose identity is pointed out in the Qur'an through mathematical coding (e.g., INDEX TO THE WORDS OF QUR'AN, Page 320, shows that the root word "RASHADA" is mentioned 19 times). According to the Qur'an, such a person could not possibly be a liar or a disbeliever.

In the last few issues of M.P., and on Page 3 of this issue, I have presented irrefutable evidence that God has honored me with the unveiling of the Qur'an's great secret (74:35). The Almighty has told the world in clear, universal mathematical language that "Rashad Khalifa" is the person destined for such a task. Thousands of believers in all corners of the world were blessed with seeing the truth of my mission.

What did the disbelievers say? In fulfillment of Qur'anic prophecy, they called me "liar," "imposter," "disbeliever," and so on. Without realizing it, they have committed a gross blasphemy against God. According to them, I am "a bad person who tricked God and unveiled His great Miracle!!!" Since the Qur'an repeatedly asserts that only the sincere believers have access to the Qur'an, the disbelievers in my messengership have rejected the Qur'an and blasphemed against God. Needless to say, these poor souls have incurred the worst retribution, now and forever.

SEVERITY OF RETRIBUTION PROPORTIONAL TO THE MIRACLE

We learn from the Qur'an that the retribution incurred by the disbelievers is directly proportional to the greatness of the miracle. Verses 25-25 in Sura 74 state truthfully that God's computer-age, 19-based miracle to this generation of humans is "One of the greatest miracles."

Furthermore, Verse 45 of Sura 34 accurately states that since this generation of humans is given "more than ten times the evidence

given to previous generations," the retribution for today's disbeliever will be proportional to the awesomeness of today's miracle.

Verse 43 in Sura 54 very clearly informs us that today's disbelievers certainly are not exempt from an especially severe retribution.

As pointed out above, this especially severe retribution is really imminent.

CERTIFICATE OF PROOF THAT RASHAD KHALIFA IS A MESSENGER OF GOD

God's miracle to this generation is more than ten times greater than the miracles of all previous messengers (34:45). The previous miracles were limited by time and place, and were witnessed by only a few people. The miracle of the Qur'an is perpetual, tangible, and has already been witnessed by millions of people. It can be witnessed anytime, by anyone.

Like all previous miracles, the Qur'an's miracle is perfectly suited for its contemporary generation; it is a mathematical, computer-age miracle. Through mathematical coding, God has named Rashad Khalifa, by name, as His messenger. Specifically, Rashad Khalifa is named as the messenger mentioned in 3:81, whose mission is to confirm all previous messengers and restore their messages to their original pristine purity.

Here is a SMALL SAMPLE from the Qur'an's miraculous code:

- (1) The Qur'an's opening statement (*Basmalah*) consists of 19 letters.
- (2) Every word in *Basmalah* is mentioned in the Qur'an a number of times which is consistently a multiple of 19 .
The first word "Ism" is mentioned $19 \times 1 = 19$ times.
The second word "Allah" is mentioned $19 \times 142 = 2698$ times.
The third word "Al-Rahman" is mentioned in the Qur'an $19 \times 3 = 57$ times.
The fourth word "Al-Rahim" is mentioned in the Qur'an $19 \times 6 = 114$ times.
- (3) The number of suras in the Qur'an is $19 \times 6 = 114$ suras.
- (4) The total number of verses in the Qur'an is $19 \times 334 = 6346$.
- (5) The Word "God" (Allah) is mentioned in the Qur'an $19 \times 142 = 2698$ times.
- (6) When we add the numbers of the verses wherever we see the word "Allah," the total is $19 \times 6217 = 118123$.
- (7) "The Qur'an" is mentioned in the Qur'an $19 \times 3 = 57$ times.
- (8) The number of suras where "The Qur'an" is mentioned is $19 \times 2 = 38$ suras.
- (9) When we add the numbers of the verses where "The Qur'an" is found, the total comes to $19 \times 140 = 2660$.
- (10) When we add the total of the verse numbers where "The Qur'an" is found (2660), plus the number of suras where "The Qur'an" occurs, the total is $19 \times 142 = 2698$, which is exactly the frequency of occurrence of the word "Allah."
- (11) The sole message of the Qur'an, "Worship God ALONE" represented by the Arabic word "WAHIDAHU" (ALONE) is found in 7:70, 39:45, 40:12 & 84, and 60:4.
When you add these numbers, the total comes to $19 \times 19 = 361$.
- (12) The gematrical value of the Arabic word "WAAHED" is 19 .
- (13) The word "WAAHED" (ONE) (referring to God) occurs 19 times.
- (14) The root word for "Rashad" (رشاد) occurs in the Qur'an 19 times.
See "INDEX TO THE WORDS OF QUR'AN," Page 320.
- (15) When we add the sura numbers, plus the verse numbers where "Rashad" and "Khalifa" are found, the total is $19 \times 77 = 1463$.
- (16) The total of sura and verse numbers where "Rashad" occurs is $(19 \times 72) + 1 = 1369$, while the total for the word "Khalifa" is $(19 \times 5) - 1 = 94$.
With "Rashad" up by one, and "Khalifa" down by one, the messenger is specified as "Rashad Khalifa."
While there are many "Rashads" and many "Khalifas," there is only one "Rashad Khalifa."
- (17) The numbers of suras and verses where the specific words "Rashad" and "Khalifa" are mentioned a total of $19 \times 9 = 171$.
- (18) The Qur'an specifies three messengers of Islam; Abraham delivered the duties and obligations of Islam (22:78), Muhammad delivered the Qur'an (33:40), and Rashad delivered the proof of authenticity of the Qur'an (3:81).
The gematrical values of these three names are 258, 92, and 505, respectively, and their total is $19 \times 45 = 855$.
Only when added together, the total is a multiple of 19 .
- (19) Rashad Khalifa was born on November 19
which happens to be Day No. 323 of the solar year, and $19 \times 17 = 323$.
- (20) Verse 3:81 which announces "The messenger who will confirm all the prophets" has a total gematrical value of $19 \times 692 = 13148$.
- (21) The specific reference to that messenger within Verse 3:81 has a gematrical value of $19 \times 44 = 836$.

THERE ARE LITERALLY HUNDREDS OF PHYSICAL FACTS. THIS IS ONLY A SAMPLE.

GOD'S MIRACLE TO THIS GENERATION GREATER THAN THE MIRACLES OF ALL PREVIOUS MESSENGERS

How many people saw Moses' staff turn into a serpent? How long did that miracle last?

How many people witnessed Jesus when he created birds from clay by God's leave, healed the leprous and hopelessly blind by God's leave, and revived the dead by God's leave? How long did these miracles last?

God's miracle to this generation, the mathematical miracle of the Qur'an, is far greater than the miracles of Jesus, Moses, and all the previous messengers combined. For the mathematical miracle of the Qur'an has already been witnessed by millions of people, and it is a perpetual miracle that is continuously growing. It has become overwhelming and absolutely incontrovertible. Just think about the few profound facts given below:

1. The Qur'an consists of 114 suras (19x6), and the total number of verses is 6346, or 19x334.
2. The word "God" (Allah) occurs in the Qur'an 2698 times, 19x142, and when we add the numbers of the verses wherever we see the word "God," the total is 118123, 19x6217.

3. The word "Qur'an" occurs in the Qur'an 57 times (19x3), in 38 suras (19x2), and when we add the numbers of the verses wherever the word "Qur'an" is found, the total comes to 2660 (19x140).

4. When we add the total of the verse numbers where the word "Qur'an" occurs (2660), plus the number of suras where the word "Qur'an" is found (38), the total equals the occurrence of the word "God" (2660+38= 2698 = 19x142).

5. The most important commandment in the Qur'an, "Worship God ALONE," occurs in 7:70, 39:45, 40:12 & 84, and 60:4 (see INDEX TO THE WORDS OF QUR'AN under "WAHDAHU", page 745). If you add these numbers (7+70+39+45 +40+12+84+60+4), you will find the total 361, or 19x19. Think about that! In the same page of the INDEX, you can see that the word "ONE" (WAAHED) referring to God occurs precisely 19 time.

Who could possibly deny this superhuman mathematical intricacies??!! God Himself informs us that "If all the jinns and all the humans banded together to produce a book like the Qur'an, they will surely fail" (17:88).
